		c) potential changes that could be made to Council's by-laws to ban on-street charity spruiking in Moonee Valley's activity centres and ensure any changes do not inadvertently capture genuine volunteer collectors.			
		<b>Comments:</b> The Council local law is currently in the process for being reviewed as the current local law came into operation on the 28 August 2008 and is valid for a 10 year period. Therefore the new (replacement) local law is in the process of being drafted with the requirement that it is authorised by Council in order to replace the existing local law in August 2018. The issues raised above have been passed onto the parties reviewing and drafting the local laws to ensure they are addressed and incorporated into the new law that is put out for public consultation and eventually adopted by Council.

		<p>3. On 9 June 2016, the then current Director of Corporate and Community Services emailed all Councillors and, in that correspondence, confirmed that everything was ready for the disclosure of councillor expenses to proceed, that there was "no reason" why the disclosure of expenses could not commence at the end of the June quarter and that he was "happy to commence at the end of June". The Director expressed no doubt as to the intention or interpretation of the resolution. A copy of the correspondence is at Annexure B;</p> <p>4. On or before 21 June 2016, there appears to have been an intervening event, following which the Director sought legal advice. A copy of correspondence relating to this request and the advice is at Annexure C;</p> <p>5.
