

Updated Conditions of Use

Moonee Valley Athletics Centre

Moonee Valley Athletics Centre is a major provider of athletic and sporting opportunities for the local and regional community. Council recognises the important role the facility plays as a centralised area for schools, clubs and community members to come to further develop skills in athletics.

Following a recent review of the Moonee Valley Athletics Centre operations, new Conditions of Use have been developed.

We wanted to let you know some of the changes that may impact you:

- for all carnival bookings, a staff member will be onsite to oversee the facility and assist you with set up and pack down
- for training sessions, a staff member will ensure you have the equipment you require for a successful session

- you must ensure your booking time encompasses all set up and pack down
- no vehicles are allowed within the fence line of the athletics centre without written approval
- hirers of the Moonee Valley Athletics Centre are expected to reflect a positive attitude in all their approaches to and their interactions with the broader community and Council.

These changes will ensure users have a positive athletic experience in an environment that is supportive, fair and safe for all participants.

These changes are reflected in our updated Conditions of Use document which each hirer receives and signs off prior to event day.
