

EVENT PARKING PERMIT APPLICATION (For businesses within Events Area)

Businesses within the Events Area are allowed to purchase up to TWO Event Permits. These can be used to park in Permit Zones and timed areas (that do not say 'permits do not apply') within the Events Area on days when major events are happening. Major events are listed on our website at <http://mvcc.vic.gov.au/eventsarea/> and on large signs at key entry points to the Events Area.

If you need any help completing this form, please contact Customer Services on 9243 8888.

1. APPLICANT DETAILS

Business Name:
Address:
Phone/Mobile Number:
Email Address:

---	---

Office Use Only	
Sighted Evidence	Permit No.

Event Parking Permits – Conditions of Use

The following Conditions apply to use of an Event Parking Permit issued by Moonee Valley City Council.

1. Failure to comply with the following Conditions may result in the issuing of infringement notices pursuant to Victoria's Road Safety Road Rules 2017 and Council's Activities and General Amenities Local Law 2018, or cancellation of a permit or permits.

Intended use of Event Parking Permits

2. An Event Parking Permit allows the vehicle displaying it to park in a 'Permit Zone' or to ignore a time limit on parking (e.g. '2P') within Moonee Valley, subject to the other Conditions noted here. It does not over-ride Local Government Act 1989 powers to move an unregistered or abandoned vehicle, or to move a vehicle that is causing an unlawful obstruction.
3. An Event Parking Permit is only valid on a day declared by Council as hosting a 'Major Event' at the Melbourne Showgrounds and/or the Flemington Racecourse.
4. An Event Parking Permit may only be used by a bona fide employee at, or a bona fide visitor to, the property that was issued the permit.
5. An Event Parking Permit is not valid when used for a purpose other than attending the property that was issued the permit
6. An Event Parking Permit is not valid when used at an unreasonable distance from the property that was issued the permit.

What kind of vehicles can use parking permits, and where?

7. A parking permit must only be used for vehicles under six metres long. They must not be used for trailers, boats, caravans, or unregistered vehicles.
8. A parking permit is only valid in the parking permit area indicated on the permit, or on the other side of the road directly opposite that parking permit area.
9. A parking permit is not valid for Clearways, No Stopping or No Parking areas, Loading or Work Zones, disabled parking bays, taxi ranks, tram and bus stops, off-street car parks, or where it is noted on the sign that Permits Do Not Apply.

How to display the parking permit

10. An Event Parking Permit can be used in any vehicle (subject to the other Conditions here), and must be hung from the rear vision mirror of the vehicle in clear view.
11. In the case that the vehicle does not have a secure rear vision mirror, it is the responsibility of the permit holder to ensure the parking permit is in clear view for Council officers.

Ownership of permits

12. All parking permits remain the property of Council. A parking permit is not to be sold, laminated, reproduced, or used for any other purposes.
13. If a parking permit is misplaced, a Statutory Declaration and payment of any relevant fee is required before the parking permit will be replaced. The misplaced parking permit will be cancelled and may no longer be used.
14. If a misplaced parking permit is found after being cancelled, it must be returned to Council.

Other Conditions

15. The use of parking spaces in streets for which parking permits apply may be suspended by members of the Victorian Police, or by an Authorised Officer of Moonee Valley City Council or VicRoads, in cases of emergency or in other cases where the need warrants such suspension. A parking permit does not guarantee a parking space.
16. The driver of the vehicle must comply with the Road Safety Road Rules 2017 and any other relevant regulations.

** the Event Area and Major Events are designated by Council and indicated on Council's website.*

I have read and agreed to the conditions under which this permit is issued and that I am fully aware of my responsibilities.

SIGNATURE OF APPLICANT

..... Date:.....

This permit is not valid unless the correct fee (if applicable) has been receipted.

Cheques to be made payable to Moonee Valley City Council.

2019/2020 Parking Permit Entitlements by Property Type

<i>Property Type</i>	<i>Total Permits</i>	<i>Resident Permits</i>	<i>Visitor Permits</i>	<i>Event Permits</i>	<i>Temporary Parking Vouchers</i>
Land where residential density has increased on or after 1 January 2006 via subdivision ¹ (except for multi-dwellings – see below for them)	0	0	0	0	Yes
Shop-top²					
• Outside Activity Centres ³	1	1	1	0	Yes
• Inside Activity Centres	0	0	0	0	Yes
Multi-dwelling⁴					
• Outside the Events Area ⁵	0	0	0	0	-
• Inside the Events Area					
○ A residence owned by the Department of Health and Human Services	1	1	0	0	Yes
○ Other owner	0	0	0	0	Yes
Townhouse ⁶	1	1	1	0	Yes
House⁷					
• No crossover ⁸ to the street	4	2	2	0	Yes
• With a crossover to the street	3	2	2	0	Yes
Business in the Events Area	2	0	0	2	-
Education Facility ⁹ in the Events Area	1 per employee	0	0	1 per employee	Yes

1. The subdivision date is the date on which Council's Corporate System records an increase in the number of residences on the site. The 1 January 2006 date was first used for this purpose in the 2005 version of the *Parking Permit Policy*.
2. A shop-top is a single dwelling on the same lot as a shop or commercial premises.
3. Activity Centres are identified in the *Moonee Valley Planning Scheme*: they are Airport West, Keilor Road, North Essendon, Moonee Ponds, Union Road, and Racecourse Road.
4. A multi-dwelling is a dwelling that is not a shop-top, that vertically overlaps any other dwelling (common property and accessory units such as car parking shall be ignored); or any dwelling on the same lot as a shop or commercial premises, if there is more than one dwelling on that lot.
5. The Events Area is a defined area that is impacted by parking demand and heightened parking restrictions because of events held at the Flemington Racecourse and/or the Melbourne Showgrounds.
6. A townhouse is a dwelling that is not a shop-top or multi-dwelling, and is one of two or more present on the existing lot or original lot (as defined by the Base Persistent Feature Identifier from Vicmap Property).
7. A house is a single dwelling on a lot, that is not a shop-top or a townhouse.
8. A crossover is a vehicular access to street frontage, and may be on any side of the property. However, any access to a Right of Way or laneway shall not be counted as a crossover.
9. Education facilities include primary schools, secondary schools, kindergartens and child care centres.

Notes:

- Permits are made available to each property based on its characteristics, and not for each resident/family/business that may co-exist at that property.
- Where the Total Permits shown in the table is less than the sum of Resident Permits and Visitor Permits, the applicant can choose which type(s) of permits best suits them. For example, a house with a crossover can access three permits, but may not have more than two Resident or two Visitor Permits.
